REMARKS

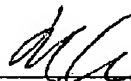

The Office Action of 12/19/2006 has been carefully considered. Reconsideration and allowance in view of the present amendments and the following remarks is respectfully requested.

The addition of headings to the specification was suggested. As such headings are not required and have in the past been known to affect the scope of protection afforded, Applicant respectfully declines.

Replacement drawing sheets are submitted herewith as required.

Notice of Allowance is respectfully requested.

Respectfully submitted,

Michael J. Ure, Reg. 33,089

Dated: 03/19/2007
